YOUTH AFFIRMATION

The more I like myself, the more others will like me.

I am becoming better with each day.

I am happy to be here.

I have people who care about me and will help me if I need it.

I am always learning more about who I am in Christ Jesus and what matter most to me.

I understand that my actions become habits, so I will try to do the right thing.

I am an intelligent being, but I don't know everything.

I am proud to represent the values that matter to me and to my community.

My dreams are achievable.

I accept and love the way I look without comparing myself to others.

I will respect myself so that others will respect me.

I will not harm myself with substances or surround myself with others who use them.

I will not give up on life when I am feeling sad or depressed.

I care about what is going on in the world.

Tough times may be difficult, but they will eventually get better.

I trust that God has a plan and a purpose for my life and I will seek after it.

My potential is limitless and through Christ I can do all things.

I will begin each day by affirming the positive and end my day with gratitude.
